

## **ENGLAND BOXING LIMITED ('EB') CLUB MEMBERSHIP POLICY**

General guidance on membership can be found in clauses 3 - 23 of EB's Articles of Association (the Articles), found [here](#). In this Policy, 'Regional Association' shall be given the same meaning as in the Articles.

This Policy should be read in conjunction with EB's Individual Membership Policy (available on the Vault).

### **A. Purpose of this policy (this 'Policy')**

1. The purpose of this Policy is to explain how club membership of EB works and what it involves: the criteria for recognition by EB as a boxing club, how to apply for membership, the applicable membership fees, the benefits of membership, the responsibilities of member clubs and the rights of EB in relation to its member clubs.
2. You become a member club once your application (which is made online through The Vault (EB's online membership platform) has been approved by your Regional Registrar, payment of the EB club membership fee (the 'Club Membership Fee') has been received online via The Vault and you are registered as a member club ('Member Club'). As a Member Club you benefit from EB club membership ('Club Membership'). EB reserves the right to assess a club's application at any stage during the application process, including reviewing the outcome.
3. In the event of a conflict arising between any provision relating to membership set out in the Articles and/or this Policy, and any provision in the policies, procedures, rules and regulations of any Regional Association or Member Club, the provisions in the Articles and/or this Policy shall prevail (see clause 29 of the Articles).
4. EB reserves the right to reject the application of any club at its sole discretion, and to terminate or suspend the membership of any Member Club at any time (see sections D and F respectively).

## **B. Benefits of Membership**

5. By a club becoming a member of EB, it is joining a membership organisation that dates back to 1880 and a network of fellow boxing clubs throughout the country.

6. Specifically, by being affiliated to EB, the individual members of Member Clubs ('Individual Members'), have the opportunity to take part in EB local, Regional and National competitions and Championships and may also be considered for the England Talent Pathway. This is a programme established to help boxers and coaches fulfil their potential at international level; from schoolboys and girls all the way through to Olympic level boxers via the GB Boxing programme. Membership also allows Member Clubs and their Individual Members to compete internationally against fellow AIBA members (as long as approval has been sought in accordance with EB's requirements for boxing abroad, which can be found [here](#)).

7. Member Clubs are also given access to a Club Support Officer (click [here](#) for contact details), who can help support and develop the Member Club in the following ways:

- (i) By providing advice on governance issues including policies and procedures.
- (ii) By offering guidance on the different types of available funding and assisting Member Clubs through the application process.
- (iii) By providing national governing body representation at a local level (through letters of support, representation at council meetings and negotiations with third party organisations such as the Charity Commission).
- (iv) By assisting with club development initiatives such as outreach programmes and helping Member Clubs increase their network in the local community (including with schools, housing associations, the police and charities).

8. Member Clubs may host shows and competitions, subject to the requirements set out at section G below.

9. Member Clubs (and Individual Members who are registered on The Vault and are members of a Member Club) are covered by EB's insurance programme. EB's insurance programme covers all activities controlled, sanctioned, recognised or authorised by EB including;

- (i) taking part in training
  - (ii) competing in contests or competitions;
  - (ii) travelling to train and / or compete; and (iv) public liability for tournaments or shows.
- For further details of what is covered please visit EB's insurance microsite which can be accessed via [The Vault](#), Knowledge Base.

Member Clubs are responsible for checking the EB website for the latest versions of all relevant policies and procedures, however, EB will use all reasonable endeavours to communicate substantive changes to the Boxing Rules via its digital channels and on the appropriate section of the Knowledge Base (accessible through The Vault). Queries relating to the Boxing Rules may be addressed to the EB Membership Services Department. Contact details can be found [here](#).

## **F. Termination and Renewal of Membership**

24. A Member Club can terminate its membership at any time by informing EB in writing. No refund or part-refund of the Membership Fee will be given unless EB or the regional representative has rejected an application in accordance with section D above.

25. In order to ensure its continued membership of EB, on or before 1st June of any given year, Member Clubs should submit an online renewal application via The Vault and pay the applicable Membership Fee, unless otherwise advised. If a Member Club fails to renew annual membership via the Vault, Club Membership will cease on 31st May of that year, unless otherwise advised. Club membership cannot be transferred.

26. EB reserves the right to refuse, terminate or suspend the membership of any Member Club at any time, and in its sole discretion.
